 with our copies of the two man-  
 uscript letters (HP 68-67), seized from  
 Santu Sankar Ray (aka Sankar - F.B.  
 since restricted to Jeffers district)  
 (vide items nos 6 & 7 at page 24. ~~for~~

U.P.S.B. want our comment  
 on these 2 letters and also a note  
 on Karuna Kaula Ray (vide p 65).

(1) We may send a copy of the  
 note on Karuna Kaula Ray (p 69)  
 to U.P.S.B. together with copies  
 of the letters at pages 68-67 and say  
 that enquiry is being made  
 to fix the identities of "Tripathi"  
 and "Rambhush" who were  
 appeared to be in Calcutta  
 at the time.] T.L. 83 reported on  
 24-3-41 that an "S. Tripathy" attended  
 a secret party meeting with  
 others. He has not yet been fixed.  
 We have no reference to  
 "Rambhush" of our party. There  
 is a reference to Purd, at  
 in the letter at p 67.

I have asked S. P. Sen  
 to collect particulars of "Tripathi",  
 "Rambhush", to suggest the identity  
 of the author of these 2 letters (HP 68-67) &  
 to report whether any one of the

Party sent to Ceylon - material  
if so, when also further developments  
regarding the proposed A.I. conference  
(p. 204, sec 3 T.L. 83 - p. 69)

The Hindi letter referred to in  
para 2 (p. 66). It probably refers to  
the leaflet "Sunhaki Ghari" (opportunity)  
in Hindi (see para 15, p. 307 of 1953).  
According to U.P.S.B. letter at p. 45  
Action of T.L. 83 - linked) it was issued  
by the Bolshevik Party of U.P. & Bihar  
in January last & appears to  
have been sent to Bengal at  
about that time. One copy  
was produced by T.L. 83 on 6/2/21

(2) we may inform U.P.S.B. accordingly.

(3) The para 4 of the letter at p. 66,  
we may enquire, whether the  
parcel (sent to Amhar Ghasai)  
was traced. If so, we may request  
for a note on the contents, address  
etc.

It appears from the letter at  
p. 67 that a "Summary" of the  
Constitution of the party was sent  
to Calcutta along with other  
material  
two letters, nos 6 & 7, (pp. 24 & 68)  
This summary was not

found at this ~~stage~~ <sup>search</sup> of  
SA, Sadananda RD on 15-6-41  
It is not known whether the  
Summary can be seen here  
under "Brief Summary of the  
Transitional programme of the  
Indian Section of the 4th Inter-  
national" (See para 15, 13(c), p 273  
ws).

Santi Suka Ray to whom the  
affiliated letters were made over  
by Karuna Kanta Ray at Benares  
for delivery to Kamalish Banerjee  
(See 'A', p 59) was previously  
a member of the Anushilan  
party, then joined the Gorkhish  
group, ~~ultimately~~ <sup>subsequently</sup> receded  
for the latter <sup>ultimately</sup> became a  
Forward Blocist. It appears that  
Karuna Kanta Ray did not know  
about it & made over the  
letters to Santi Suka Ray who  
he went to attend the A.I.  
Students Conference at Benares  
held there on 1st & 2nd Feb 1941  
(See para 1, H 309-310). Santi S. Senha  
Ray was not examined regarding  
the whereabouts of the Summary (p 67)

145 D

A S. I. F. Chatter will examine him  
in this point when he goes  
to Comilla next time. He will take  
magnification before he begins for that purpose.  
Fixation of the identity of the  
writer of the letter, item no 621  
(p 24) is necessary. Send this  
negative letter to D.C.S.B for  
favorable suggestion re: the  
identity of the writer as I think  
that Philip Gunawardana is in  
custody from Nov to Dec 1940,  
as such he may not be  
the writer.

(4). We may have Kanna Kanda  
Raj in Calcutta, search his  
belongings & bring him up for  
examination re: the 2 letters,  
summary etc. if D.C.S.B has  
no objection.

## CHOWRINGHEE INCIDENT

### STORY OF MOLESTATION OF LADY BY SOLDIERS

#### Youth's Allegations Against Sergeants

The sensational story of a Bengali lady having been dragged inside the Bristol Hotel on Chowringhee Road by some soldiers on the night of December 23, was related by Sd. Karuna Kanta Roy, a young man having been seized, before Mr. H. Gupta, Chief Presidency Magistrate, in the course of his statement in court on Wednesday, when he was placed on his trial on a charge of assaulting two Sergeants while on their public duty in front of the Bristol Hotel on the night in question.

Pleading not guilty, Sd. Roy stated that there was a great commotion outside the Bristol Hotel and he learnt that a Bengali lady had been dragged inside by some soldiers. He and others were trying to enter the hotel with the object of rescuing her, when a Sergeant struck him a blow on the forehead. He remonstrated with the Sergeant, saying that instead of assaulting him the Sergeant should try and rescue the lady. At this, the Sergeant grew furious and struck him further blows. Another Sergeant came up and also assaulted him. He fell down almost senseless.

Proceeding, Sd. Roy stated that the Sergeants then began to take him towards the chana. Outside the Whiteaway shop, they let him go. He asked his uncle, who was with him, to take down the number of the Sergeants and his uncle lit a match to do so. This made the three Sergeants who were there furious and they caught the accused and took him off to the thana. Sd. Roy said he did not strike anyone.

Inspector Anil Mukherjee, who investigated the case, stated in cross-examination that the disturbance arose, he found on enquiry, from a rumour or allegation that some soldiers had molested an Indian lady in front of the Bristol Hotel. Inside the hotel he found furniture broken. Ten persons, besides the accused, were also arrested in connection with the disturbance, but they were discharged as they could not be identified.

The hearing was adjourned to February 26.

Mr. J. K. Sen Gupta, Advocate,  
Mr. J. M. Bose defended the  
Mr. S. N. Das, Chief Constable,  
appeared for the prosecution.

In obedience to your order  
I examined Santi Sankar Roy s/o Kulochandra

the "Summary of Constitution" of the Fourth  
International mentioned in a letter one of  
the two letters from Philip to "Dear friend"

*[Faint handwritten notes on the left margin, including 'Pamper', 'S.S. 5/5', and other illegible scribbles.]*

I am aged 27 years and unmarried.  
I prosecuted by early studies in Nilambazar  
H.E. School and passed from that school  
in or about 1930. I did not join any other  
school for the next 4 or 5 years. In 1934,  
I was elected a delegate to all India  
Congress session for Sylhet. The Conference  
was held in Bombay. I along with  
my another friend SATYENSEN of Sylhet  
(who was also a Congress worker) decided  
to join the Congress Session and started  
on foot in August enroute to Bombay.  
We reached there by the December first one  
of September or two days before the Congress session. I  
was there for 45 days. During the Congress  
session I picked up acquaintance with  
Swamipurnand (Ex-minister, UP) and  
Ram Saran Das who were delegates  
to the Conference and were then professors  
of the Kashi Vidyapith. As per their wish  
I came to Benares and saw them  
in the Kashi Vidyapith just after the  
Conference. I got myself admitted in the  
Vidyapith in that year i.e. 1935. After studying  
there for a year I was selected by the  
Kashi Vidyapith to undergo a training  
in the preparation of hand made paper.

at the Wardha Village Industry School  
organised by the All India Village  
Industrial Association. I was in this  
School for about 3 months and then  
came back to Kashi Vidyapeeth where.  
I was appointed as an instructor to  
instruct the process of hand made  
papers. At the same time ~~for~~ continued  
~~my~~ study and appeared at the  
final Examination in <sup>December, February</sup> 1940 and  
passed the same. I remain there for  
a few months more (3/4 months) in connection  
with my writing a thesis to be submitted  
to the Vidyapeeth in order to get my degree.

I went to my native village after this and  
was there for about 7 1/2 months. On my  
return journey to my home from Benares.  
I halted in Calcutta for about a week.  
I used to put up with one my relative.  
Gopesh Chandra Das at 60 Sitaram  
Ghosh Street. He is a <sup>motor</sup> driver by profession. !

After staying for 7 1/2 months in my home  
in January 1941.  
I returned back to Benares, and was  
there for about 3/4 months. I came to  
Calcutta by March or April last (1941)  
in order to get help of the Imperial  
Library books in connection with the  
writing of Thesis. I hired a room  
(no 24) at 118 Harrison Road and  
is putting up there since my arrival  
to this place. (Calcutta)

I manage my expenses by tuition <sup>Rs 10</sup> and I am at present employed as <sup>Rs 68</sup> a teacher to the children of one BALCHAND at 9 B Lake view Road. I get Rs 40/- by this. I got this job through Marwari Association where I went in search of jobs as I had instruction from Kashi vidya path to search for employment there. The Secretary of the Association introduced me with BALCHAND.

I became a forerunner member of the Congress Committee in Beninagar in the year 1932 and attended the Conference in Bombay (1934) and in Lucknow (1935). Besides this I did not participate in any other Conferences or meetings of the Congress.

I have no connection with any other movement whether open or secret. ~~But~~ I do not know the existence that I was also a member <sup>for 2 years</sup> of the Benaras Students Federation but I did not take any active part there.

I know only my relations in Calcutta besides that I do not know any body else here. I have no friend or associate here. My relations are.

- (1) Gobesh Gobesh Chandra Das - distant relation - also a co-villager.
- (2) Barada Kanta Das - distant relation at Vivekananda Road. He is the manager of the S.H. & Co.

I don't know anyone with  
the name Sauti Singh Ray. Many  
of the students conference delegates from all over India went  
to Benares in February 1941 and were  
I have visited Kashi Vidyapeeth. So I  
might have seen him. But I had  
did not make over any letter to  
him ever. I have never read the  
letters (now you are showing) before.  
I don't know the handwriting. I

know ENKARNATH SHASTRI as an  
ex-student of the Kashi Vidyapeeth and  
a teacher of the Vidyapeeth School.

I purchased the books from Calcutta

Dear friend Tripathi,

I had been to your village home. I am  
exceedingly glad that you are working with  
Bannerjee. I sent a letter to Rambilas, your  
friend but I don't know whether it reached him  
or not. You may be expected at Allahabad after your  
examination that would be advantageous for  
Allahabad work. You will also work hard to pass  
your examination. I am sending some copies of  
the Hindi leaflets for your perusal and also for  
distribution by making several copies with carbon.  
This is the method applied by our comrades in their  
failure to get the leaflets printed. You will  
find your associates to take pains and do the work.

Yours affectionately,

Sd. Phillip.

EM.5.8.41.

Dear Friend,

It is 6. of search papers from  
58/A Sadananda Rd on 15.6.41 (file 542-4)

I heard your plan and almost like it. I wished I could know in detail about the Madras work. Why not did you go to Bombay from your way back to Ceylon. Even now if you can do it you go there and find out Purdy if possible because you must know that the so called all India Conference is not going to meet so soon again. In that case it would be felt that we had not Purdy in the midst of our deliberations. This time whether four or five we shall form a provisional group for one year at least in which fresh additions may be made without any alteration of constitution or fundamentals of our programme. Every one of us must be prepared to give full time in the debates and and for a threadbare discussions. I have written out the thesis and will show you in the meeting. In the meantime you should go through the constitution I gave you and herewith a summary of the constitution that has been adopted by us in U.P. and Behar as a temporary organisational guide. You will take anything from this you like in your draft. I am sorry to note that you did not send up the copy of the 'New International' even now.

Regarding the place of our conference I select Benares because not only it would be convenient for U.P. comrades but also for Behar. There is no danger here. There are lot of cylonese in Benares. Moreover Benares would be convenient for Bombay friends if any. Think of it and also our own monetary difficulties. It would be absolutely difficult for me and a few of my friends to afford to go to Calcutta. In case however you are unable to have Benares as the place for conference and in case I am unable to take part then I will have to abide by the decision of the majority. I hope you are proceeding well. I want information of the date of the conference. March is also a busy month for me. So even then 15th onward will be suitable.

Yours fraternally,

Sd/- Phillip.

the date of this letter  
Without these particulars

maintained. The subject of  
correspondence should be clearly  
indicated in body of reply

My dear Janvrin,

Will you please refer to your Memo No. C.M. 571/41 dated 9.7.41, enclosing items No. 6 and 7 of the search statement of the property seized during the search of 58A, Sadananda Road, Calcutta?

2. We are at the moment unable to place Tripathi and Rambilash but I am making enquiries and will let you know the result in due course. I might point out, however, that the enclosure to your letter seems to indicate quite clearly that the two manuscript letters seized were written in Benares and handed over by Karuna Kanta Roy to Santi Sinha Roy on 2.2.41, who conveyed them to Calcutta for delivery to the addressee in Calcutta through Kamallesh Banerjee. If this is the position, it would appear that a search for these persons is required to be made in Calcutta. Similar remarks would apply regarding the leaflets referred to in the letter. I should be grateful of your comments in this connection.

3. Karuna Kanta Roy is the son of Kamani Mohan Roy of Lonarpara, P.S. Karinganji, Sylhet, who has been coming to notice in the United Provinces since 1935. During the last two years he has been known to be engaged in Bolshevik Party organisation and is apparently an important worker of the Bolshevik Party of India (Trotskyite Group).

4. According to I.B. Bengal No. C/S 543 dated 28. Karuna Kanta Roy was reported to have gone to Calcutta party work and we had not heard of him again until recently when he was reported by I.B., Bengal in their No. C/S dated 7.7.41, to have sent a railway parcel containing leaflets of the party to Omkar Nath Shastri at Benares. Omkar Nath Shastri is also a member of the Trotskyite group who has been absconding for some time.

5. It would appear from paragraph 2 of your letter that the party conference referred to in the manuscript letters is yet to be held, though this does not seem to be the case in view of the fact that the letters were written early in February 1941. It is, however, of interest that, according to the information of I.B., Ben Omkar Nath Shastri is reported to have asked Kamallesh Banerji for funds to meet the expenses of the All India Party Conference to be held in the U.P. by the end of or beginning of August 1941.

6. I should be grateful of your further comment regarding the two items referred to in the enclosure to your letter under reference.

Special Branch, CALCUTTA.

Yours sincerely,

I send herewith, extracts of items No. 6 and 7 of the search statement of the property seized during the search of 58A, Sadananda Road, Calcutta, on 15.6.41 for All India Youth League Publications together with the explanation of Santi Sinha Roy son of Kula Chandra Sinha Roy of Khejuria, P.S. Faridganje, District Tipperah, and of 58A, Sadananda Road, Calcutta, regarding the same.

I shall be grateful if you will please let me have a report on the character, antecedents and political activities of Karuna Kanta Roy, Tripathi and Rambilash mentioned therein. Enquiries may also be made to trace the writer of the letters, Phillip who is Phillip Gunabardhan (an abacorder) of the Marxist Leninist Party through Karuna Kanta Roy at the time of the party conference referred to in the enclosure. I shall also be glad to know if the Hindi leaflets referred to in item No.7 have come to your notice.

Extract from Search Statement relating to the search of 58A, Sadananda Road, Calcutta, on 15.6.41, for All India Youth League Publications.

6. One English letter in manuscript beginning with Dear Friend and ending with Phillip.

\*\*\*  
It is a manuscript letter in English written by Phillip addressed to Dear Friend regarding proposal of holding party Conference in Benares. And there is mention of one Purog of Bombay to meet him in the same connexion.

7. One manuscript letter in English beginning with Dear Friend and ending with Phillip.

It is a manuscript English letter written by Phillip addressed to Dear Friend Tripathi with the request to be at Allahabad after the examination for Party work. He says that he is sending some copies of Hindi Leaflet for distribution with instruction to make similar copies with carbon paper and also have the same printed for distribution as method of their party work and he was glad to find that the addressee is working with Banarjee (Kamlesh Banerji?). He further intimates that he sends a letter to Ram Bilash a friend of the addressee.

#### Explanation of Santi Sinha Roy.

Santi says that the letter was given to him at Benares Railway Station on 2.2.41 by one Karuna Kanta Roy of Benares Student Federation to make over the same to Kamlesh Banerjee of Korbala Tank Lane for needful - Kamlesh was arrested with a foreigner from Avenue Hotel. He did not deliver the same owing to some personal difference with Kamlesh.

I am aged about 23 years. We are 4 brothers and 3 sisters :-

2. MYSELF.
3. KARTIK CHANDRA MUKHERJEE (12)

6. AMIYA CHATTERJEE (Mrs) (25) -w/o Bisweswar Chatterjee of vill. Rangasree p.s. Bakerganj, Barisal.
7. TARUBALA MUKHERJEE (17) -unmarried and lives in our native village.

I read upto Class VI in Batsala M.E. School and then got myself admitted into Kalash Kathi B.M.H.E. School where I read upto Class IX and gave up my studies in 1936 as I did not like to continue my studies. While in Kalashkathi, I used to put up in the house of one Upendra Nath Banerji the same village.

In 1938 I went to Jamshedpur and used to put up there with my elder brother Monoranjana Mukherjee. In the middle of 1939, I came to Calcutta in search of employment but secured none. I used to put up at 203A, Bowbazar Street in the house of one Jatindra Mohan Mukherjee, a man of Faridpur and late Manager of the Krisak Daily Newspaper. Now he is working as an agent of the Oriental Government Security Life Office. I used to coach his two young daughters of 7 and 8 years of age. I used to get Rs 5/- p.m. from him as tuition fee in addition to feeding and lodging. About 2 months back I made up my mind to work for the cause of the country and went to 20, Keshab Sen Street, Office of the All India Youth League and asked Surhid Kumar Mallick Chowdhury whom I did not know previously but I came to know his name from newspaper, to give me some facility for the purpose. He allowed me to remain in the said office where I used to guard the office when all other workers were away. I used to live there and got my feeding expenses from the office.

I did not do any other work there. Thence I went to 12, Cornwallis Street when the office was removed there and used to remain there. About 7 or 8 days back, Santi Singha Roy, asked me to go to 58A, Sadananda Road, the South Calcutta Office of the Youth League and so remain there and to guard the office. I found another youth named Mukul Roy @ Prodyot Das (now under arrest) living in this office, besides Santi Singha Roy, I am not a member of the Youth League and I do not know anything about the activities of the said League nor do I know anything about the papers and posters seized from our office by the Police this morning. I had no concern with the office works of the Youth League and hence do not know about those papers. I did not either know anything about the outdoor works of the League. I do not know any worker of the Youth League by name but I know some of them by face. I only know Surhid Mallick Chowdhury, Santi Singha Roy and Mukul Roy @ Prodyot Das. I do not even know Nirmal Mukherjee, the Secretary of the Bengal Provincial Youth League. Except guarding the office of the League, I was never given any other work nor did anything be ever divulged to me in respect of the activities. I never distributed any leaflet or any posters.

.....

After the externment of Arabindo Bose I became general Secretary of the B.P. Youth League. Towards the latter part of May/41, Santi Sinha Roy (arrested) who was organising Secretary of the B.P. Youth League rented a room at 58A, Sadanando Road (searched). This room was used as a party office "South Calcutta B.P. Youth League". I paid Rs. 3/- or 4/- to Santi at the time of engaging this room. It was sometime during the 1st week of this month, the following members of the executive committee B.P. Youth League met at 58A, Sadanando Road.

1. Lakshmi Seal (mentioned).
2. Gopal Mitter (mentioned).
3. Santi Sinha Roy (arrested).
4. Prodyot Das (arrested)
5. Haripada Mojmunder, his address is not known to me.
6. Saroj Bhowmik (mentioned).
7. Madan Dhar (E.D).

It was decided after discussions that squads of young boys carrying different posters will be sent out at different localities by way of propaganda of the proposed conference to be held sometime in July. The initial expenses of the Conference will be met by subscriptions - 8 annas as membership fee and Rs. 1/- as delegate fee.

A day or two previous to this executive committee meeting, a study circle was held in the same room. Santi Sinha Roy, Gopal Mitter, Prodyot Das and myself took part into the discussions. Our discussions were mainly based on launching of individual Satyagraha as against Satyagraha started by Mahatma Gandhi, which has produced very little effect at the present situation. I do not know much about secret activities of the B.P. Youth League. Dwijen Bose on one occasion told me that the B.P. Youth League has got its Central Committee consisting of Haribishan Kamatha retired I.C.S. of C.P. Subhas Bose, Sardul Singh Cavisheer and other influential leaders. When I wanted to know more about the Central Committee, he warned me not to be inquisitive.

Prodyot Das (arrested) is a paid member of the B.P. Youth League. He has been mainly engaged by Dwijen Bose for writing our revolutionary posters. Recently he was writing our posters under the direction of Santi Sinha Roy. I paid Rs. 10/- to Prodyot on one occasion only as his pay.

Sometime before, I recruited the following Youths as members of the B.P. Youth :-

1. Sachin Mukherjee living at 5A, Nepal Bhattacharji Street.
2. Indu Ganguly, an employee of the Bank of Commerce living at 7, Nepal Bhattacharji Lane.

I forgot to mention about Nirmal Acharya who was a volunteer of the B.P. Youth League, and introduced to me by Dwijen Bose sometime before. Nirmal, while staying as an undertrial prisoner in the Resident

Jail wrote me a post card and requested me to see him during his trial at the C.P.M.'s Court with E.D. Madan Dhar, but I did not attend the court nor informed Madan about it. Nirmal had some difference regarding the issue of Court raiding with Dwijen Bose and the leading member of the B.P. Youth League and resigned his membership. This post card was seized during the search of my house, On 8.6.41, GoDesh Bose, nephew of Subhas Bose handed over to me 2 letters addressed to (1) Dr. Charu C. Banerji, and (2) S.M. Bhattacharji, Managing Director, Calcutta National Bank with introduction for some financial help for the proposed conference and celebration of Deshabandhu Anniversary. Both the letters were seized by the police.

Lanka Lane. He did not deliver the letter for  
some personal differences with KAMALESH. The  
S.B. suggested that PHYLIS is PHYLIS

In our office we have got reference to one  
PHILIP GUNABARDHAN of Ceylon All India

Statement of Nirmalendu Mukherjee, s/o. Jagernath Mukherjee of 5/1, Mukherjipara Lane, (Calcutta man) - recorded at the Special Branch Office on 16.6.41.

.....

I am aged about - 28 years and married. I am at present seeking for an employment. My father works as a Sub-registrar in the Shahnagar burning-ghat under the Calcutta Corporation. I have no brother. I have got 5 sisters - 1. Ashalata Mukherjee (15), 2. Reba Mukherjee (11) a student of the Adarsha Vidyapith, 3. Rekha Mukherjee (8), a student of the Adarsha Vidyapith, 4. Maya Mukherjee (6), a student of the Corporation Primary School, 5. Sandhya (4) and they are all living with parents.

I received my early education in the South Suburban School and passed Matric in 1931. After that I joined the Ashutosh College (I.A) and read about a year. In 1932, I took transfer and joined the Bangabasi College. I got plucked into the I.A. examination in 1933 and gave up study. The same year, I secured a job in the Singer Sewing Co. worked as a clerk in the Head office (Clive Street) for about 6 months. As I had a good taste in the football, I resigned this job in order to take part into the matches. I was a member of the Calcutta Town Club from 1931 to 1935. In 1938, I secured a job in the election department of the Calcutta Corporation and worked temporarily till December 1940 on monthly pay of Rs. 30/-. On 3.1.41 I joined as a vaccinator in the Corporation Health Department District IV and worked till 15.5.41 on monthly pay of Rs. 35/-.

# As a man of South Calcutta, I have deep regard for Subhas Chandra Bose. During the Corporation election of 1940, I canvassed for Debabrata Mukherjee well-known Corporative Councillor of Ward XXIII. Gonesh Bose, nephew of Subhas Bose living at Elgin Road was known to me since my school days. We were reading in the South Suburban School for some years. During the election propaganda, Gonesh also worked for Debabrata Babu and since then, we became friendly with each other. I bore anti-Gandhi feelings on going through the newspapers that Subhas Bose had to resign from the Presidentship of the All India Congress during the A.I.C.C. meeting at Wellington Square (1940). I made up my mind to work for Subhas Bose and his party. During last winter, I became acquainted with Gopal Mitter of 4B, Mukherjipara Lane (a restricted detenu) living close to our house. One day, Gopal said that he with some of his friends were organising a party (All India Youth League) to make anti-propaganda against Gandhi and his followers. He gave me to understand that the proposed Youth League members would make propaganda among the youths on behalf of Subhas Bose and his Forward Bloc. I agreed to join the Party. One day, Gopal took me to Dwijen Bose, younger brother of Gonesh Bose (mentioned) at his residence at 38/2, Elgin Road, where the Youth League office was then started. Dwijen Bose supplied me with a membership form and I signed the same. There, I was introduced to Hema-prova Mozumder, the Vice-President of the Party. The office of the Youth League has been shifted from Elgin

Road to Keshab Sen Street and thence to 12, Cornwallis Street. The Youth League is now following the programme of the Forward Bloc direct action by sending volunteers to different courts. The volunteers court arrest by shouting revolutionary slogans. It has also taken up the programme of posterage by writing out revolutionary matters. So far known to me that the following persons are ~~in~~ in the Executive Committee of the B.P. Youth League :-] # B

1. Sardul Singh.
2. Hemaprova Debi.
3. Lakshi Kanto Sil of Forward Bloc.
4. Santi Sinha Roy (arrested)

7. Suhrid Mallik Chowdhury (externed).
8. Arabindo Bose, nephew of Subhas Bose.
9. Dwijen Bose - do.
10. Upendra Nandy, a student of the Ashutosh College, living somewhere at Bhowanipore - his father has got a grocer's shop at Jagoo Babu's Bazar.

12. Tarakanto Chakravarty of South Calcutta.
13. Rabindra Sinha Roy, younger brother of Santi Sinha Roy (arrested) living somewhere at Gope Lane i/c. of Central Calcutta.

Statement of Jagannath Singh son of Patiram Sing,  
village Souner Taisili, P.S. -do- District Nagpur.  
Calcutta - 58/A, Sadananda Road.

-----

I am aged 16 years and unmarried. We are two brothers of whom I am the elder. My younger brother's name is Deochand Sing. He is aged about 11 years and is a 4th class student of the Marhatta School situated in our native village. I have no sister. My father was a teacher of the aforesaid Marhatta School. He took part in a Congress procession some years back and lost his job on that score. Since then he has been unemployed and remains at home. We have some landed property in our village and we get crop from it. My father is mainly a cultivator by occupation and so I am.

I studied for two years in the Marhatta School of my village and then gave up my study for doing cultivation work on our landed property. I had worked as a cultivator for 2 or 3 years and then came away to Nagpur City in search of a job. I got the job of a household servant there in the house of Mr. T.R. Naidu, an agent of Fire Stone Tyres and I.B. Petrol at Nagpur City. He lived at Tent Line, Ratna Mudaliar ground. I had worked there for about 4 years and gave up my job about 9 months ago. I then came away to Tatanagore in search of a job and worked there as a servant in the house of one Mr. Mehta working in an office at Tatanagore for two months. As he was not of good temperament, I left my job under him and worked in the house of Mr. Kaver, living in the same building with Mr. Mehta and also working in an office at Tatanagore. I had worked under him for about five months and then left my job. I then worked in the house of Mr. Monohar Sing, a foreman Tata Iron and Steel works Ltd., for about 1½ months. While working there, my fingers were burnt at the time of preparing meals for my master and so, I stopped working there for the treatment of my burnt fingers. But as my master refused to employ me again even after my recovery, I left his place on 13-6-41 and came to Calcutta for the first time in my life in search of a job on 14-6-41. Being a stranger here, I asked some people as to where Kalighat was. I heard the name of Kalighat before and wanted to go there. They gave me directions and I came to Kalighat on that day (14-6-41). I had only -/8/- with me. I spent that amount for my meals and wanted to sleep in the Dharamsala at Kalighat during the night. But the Darwan of the place did not allow me to sleep there. So, I slept on the ledge of a house that night (14-6-41). The police challenged me there, but did not arrest me. I did not know the name of the locality where I slept. The following morning (15-6-41) I was out to look for a job and asked some people as to where I could get one. One of the persons pointed a house to me, saying that volunteers were being enlisted there and that if I would go there, I would also be taken in. In order to have a shelter and to avoid police arrest, I went to the house and met a Babu there standing at the door. I told him that I wanted to be a volunteer. He took down my name, country address and a few other particulars and asked me to live there. The Babu then went out leaving me in a room on the ground floor. He also left the key of the door of the room with me directing me to ~~put~~ put it under lock and key when I would go out. There was no one else with me in that room. The Babu is aged about 26 years, fair complexion, medium build and height, wearing beard and moustache. I did not ask him as to why volunteers were enlisted there and he too did not tell me anything about it. I did not know what kind of office was located there. While I was staying there, the Police once went there and enquired of me as to whether the Babu returned or not. In the meantime, the Babu came once and again went out. So, I told the Police in reply that he returned and again went out. After about half an

Statement of Santi Sinha Roy s/o Kula Chandra  
Sinha Roy of 9, Gope Lane, Calcutta and of vill.  
Khajuria, P.S. Faridgunge, Dt. Tippera.

---

My name is Santi Sinha Roy and am son of Kula Chandra Sinha Roy of vill Khajuria, P.S. Faridgunge, Dt. Tippera and of 9, Gope Lane. I am aged about 21 years and at present staying at 58A, Sadananda Road. I have shifted from the residence of my father at 9, Gope Lane to that place about three weeks. I have rented a room at Rs.8/- and used to take my meals outside in hotels.

I passed the matriculation examination in the year 1937 from Hindu School, Calcutta. I passed I.A. from St. Paul's College in the year 1940. I then got myself admitted in Bidyasagar College in the B.A. course and am a student of the 4th year class.

I became a member of the students Federation in the year 1936. I do not remember who enlisted me as such. Since then I am a regular member. I belong to the Forward Bloc group and also a prominent organiser of the Youth League. I became a member of the working Committee of the A.I.S.F. and B.P.S.F. in the year 1941. I visited almost all the provinces of India as a delegate of the A.I.S.F. and B.P.S.F. I know Aniya Das Gupta, who belong to the C.P.I. group of the S.F. We have no connection with them at present. We are running a separate organisation altogether.

I was convicted for three months and was detained as undertrial prisoner for more than two months in 1940. I was released on 30th November, 1940 and learnt that the Youth League was formed. I also joined the organisation and our office lies at 12, Cornwallis Street. The principal aim of the Youth League is to consolidate the youths on an All-India basis to fight for the liberty and freedom of India.

The membership of the league is very restricted for getting true and faithful workers. At present the number of the members of league may come up to one thousand in Bengal. This league will have to follow the instructions of Forward Bloc. Since I have joined the league, I have not found any leaflet or literature issued by the Working Committee of the league. The Committee used to do that while there was the Holwell Monument's agitation and I was in jail.

The meetings of the Working Committee of the league were generally held at my residence at Sadananda Road and all the proceedings were published in papers. After the externment of the student workers, no working Committee meeting of the Students Federation was held to discuss the future course of action.

This morning at about 3 a.m. my residence at Sadananda Road was searched and I was arrested by the police. They have seized some papers. I do not think those are prejudicial.

On my arrival at this address, I found Santi Singha Roy and Mukul Roy living there. No other person used to live there after my arrival. I did not know that Mukul Roy had another name viz: Prodyot Das. While we were taken to Bhowanipore Thana after search of 58A, Sadananda Roy on 15.6.41, I came to know for the first time that Mukul Roy was Prodyot Das. I did not know that previously he used to live somewhere in Tollygunge. I had never been to his Tollygunge House. During my stay at 58/A, Sadananda Road, he never told me anything about his outdoor works nor did he ever ask me to accompany him. I only came to know that he was a man of Barisal. Except this I did not know anything about his activities or antecedents. Either Santi Singha Roy or Mukul Roy @ Prodyot Das used to pay me -/4/- annas four only per diem.

About a month and a half ago, I along with three other youths offered satyagraha in Sealdah Court and was subsequently sentenced to eight days simple imprisonment on conviction. I do not remember their names. At that time I used to live at 12, Cornwallis Street. One day at about 12 noon, Santi Singha Roy asked me to accompany the above mentioned youths and to offer Satyagraha at Sealdah Court by raising anti-Government slogans in the courtroom. I never saw those three youths before. After our release from the Alipur Central Jail, I came back to 12, Cornwallis Street and those three youths went away to their respective places. I never saw them again and do not remember their names. I did not ask them their addresses. Except this occasion, nobody asked me to do any other outdoor work or to offer Satyagraha. I was never asked to distribute leaflets or stick posters. I never knew that the Youth League encouraged distribution of leaflets etc.

Perusal of pages 64-64 together with the copies of the two manuscript letters (pp.68-67), seized from Santi Sinha Ray (Anushilan - P.B. - since restricted to Tippera district) (vide items Nos. 6 & 7 of page 24, and portions marked "A" of pp. 28 and 29).

U.P. S.N. want our comment on these 2 letters and also a note on Karuna Kanta Ray (vide p.68).

(1) We may send a copy of the note on Karuna Kanta Ray (p.68-70) to U.P.S.B. together with copies of the letters at pages 68-67 and say that enquiry is being made to fix the identities of "Tripathi" and "Rambilash" who appeared to be in Calcutta at the time. T.L.83 reported on 24.3.41 that an "R. Tripathy" attended a secret party meeting with others. He has not yet been fixed. We have no reference to "Raz Bilash" of the party. There is a reference to Purdy in the letter at p.67.

B I have asked S.I. P. Sen to collect particulars of "Tripathi", "Rambilash", to suggest the identity of the writer of these 2 letters (pp.68-67) to report whether any-one of his party went to Ceylon and Madras, if so, when and also further development regarding the proposed A.I. Conference (p.804, SW of T.L.83 and p.69).

Re: Hindi letters referred to in para 3 (p.66). It probably refers to the leaflet "Bukhari Chari" (opportune time) in Hindi (see para 16, p.307 of T.E.) According to U.P.S.B. letter at p.45 Action of T.L.83 - linked) it was issued by the Bolshevik Party of U.P. & Bihar in January last and appears to have been sent to Bengal about that time. One copy was produced by T.L.83 on 6.3.41.

(2) We may inform U.P.S.B. accordingly.

(3) Re: para 4 of the letter at p.66. We may enquire of U.P.S.B. whether the Ry. parcel (sent to Amber Prasad) was traced. If so, we may request for a note on the contents, addressee etc.

It appears from the letter No.6 at p.67 that a "Summary" of the constitution of the party was sent to Calcutta along with the aforesaid two letters, No.6 & 7, (pp.24 and 68-67). This summary was not noticed at the search of 58A, Badamunda Road on 15.6.41. It is not known whether the "Summary" can be identical with "Brief Summary of the Transitional programme of the Indian Section of the 4th International" (see para 13(b), p.273 W.S.)

Probably.  
sd/-E.S.

A Santi Sinha Ray to whom the aforesaid letters were made over by Karuna Kanta Ray at Benares for delivering to Kamalesh Banerjee (see 'A', p.59) was previously a member of the Anushilan party, then joined the Trotskyite group, subsequently seceded from the latter party and ultimately became a Forward Blocist. It appears that Karuna Kanta Ray did not know about it and made over the letters together with the "Summary" to Santi Sinha Ray when he went to attend the A.I. Students Convention at Benares held there on 1st and 2nd Feb. 1941 (see para 1 pp.309-310). Santi Sinha Ray was not examined regarding the whereabouts of the "Summary" (67). S.I. P. Chatterji will examine him on this point when he goes to Comilla next time. He will take my instruction before leaving for that place.

Fixation of the identity of the writer of letters, items No.6 & 7 (p.24) is necessary. Send the original letters to D.C.S.B. for favour of suggestion re: the identity of the writer as I think that Philip Gunawardan is in custody from Nov or Dec. of 1940 and as such he may not be the writer.

(4) We may trace Karuna Kanta Ray in Calcutta, search his belongings and bring him up for examination re: the 2 letters, 'summary' etc. if D.C.S.B. has no objection.

Statement of Jagannath Singh son of Satiram Singh,  
village Souner Talisli, P.S. -do- District Nagpur.  
Calcutta - B.A./A, Sudderadda Road.

I am aged 16 years and unmarried. We are two brothers of whom I am the elder. My younger brother's name is Deekhand Singh. He is aged about 11 years and is a 4th class student of the Marhatta School situated in our native village. I have no sister. My father was a teacher of the aforesaid Marhatta School. He took part in a Congress procession some years back and lost his job on that score. Since then he has been unemployed and remains at home. We have some landed property in our village and we get crop from it. My father is mainly a cultivator by occupation and so I am.

I studied for two years in the Marhatta School of my village and then gave up my study for doing cultivation work on our landed property. I had worked as a cultivator for 2 or 3 years and then came away to Nagpur City in search of a job. I got the job of a household servant there in the house of Mr. T.R. Naidu, an agent of Fire -stone -trees and I.B. Petrol at Nagpur City. He lived at Tent Lane, Raining -water -ground. I had worked there for about 4 years and gave up my job about 9 months ago. I then came away to -atampore in search of a job and worked there as a servant in the house of one Mr. Mehta working in an office at Satampore for two months. As he was not of good temperment, I left my job under him and worked in the house of Mr. Kaver, living in the same building with Mr. Mehta and also working in an office at Satampore. I had worked under him for about five months and then left my job. I then worked in the house of Mr. -Bachar Singh, a foreman Tata Iron and Steel works Ltd., for about 11 months. While working there my fingers were burnt at the time of preparing scale for my master and so, I stopped working there for the treatment of my burnt fingers. But as my master refused to employ me again after my recovery, I left his place on 13-5-41 and came to Calcutta for the first time in my life in search of a job on 14-5-41. Being a stranger here, I asked some people as to where Kallighat was. I heard the name of Kallighat before and wanted to go there. They gave me directions and I came to Kallighat on that day (14-5-41). I had only -/B/- with me. I spent that amount for my meals and wanted to sleep in the Dharamsala at Kallighat during the night. But the Darwan of the place did not allow me to sleep there. So, I slept on the ledge of a house that night (14-5-41). The police challenged me there, but did not arrest me. I did not know the name of the locality where I slept. The following morning (15-5-41) I went out to look for a job and asked some people as to where I could get one. One of the persons pointed a house to me, saying that volunteers were being enlisted there and that if I would go there, I would also be taken in. In order to have a shelter and to avoid police arrest, I went to the house and met a Babu there standing at the door. I told him that I wanted to be a volunteer. He took down my name, country address and a few other particulars and asked me to live there. The Babu then went out leaving me in a room on the ground floor. He also left the key of the door of the room with me directing me to put it under lock and key when I would go out. There was no one else with me in that room. The Babu is aged about 35 years, fair complexion, medium build and height, wearing beard and moustache. I did not ask him as to why volunteers were enlisted there and he too did not tell me anything about it. I did not know what kind of office was located there. I was staying there, the police once went there and asked me as to whether the Babu returned or not. In the evening the Babu came once and again went out. So, I told the police in reply that he returned and again went out. After a

hour, the Police came there again and took me away. I did not know that the house was searched by the Police before my arrival there. I have no knowledge about the nature of the articles seized by the Police from there. I do not know the name of the Babu who had enlisted me as a Volunteer. I did not know that the youth League office was located there. I do not know any one of that organization.

I was never before arrested by the police in any connection. I have never been a member of any political organization. I have no relation or acquaintance in Calcutta.

Statement of Karuna Kanta Ray s/o Kamini Mohon of  
Vill. Bahadurpur, P.S. Karimganj, Dist. Sylhet (Assam)  
and 118 Harrison Road, Room No.34.

Recorded on 23.8.41.

.....

I am aged 27 years and unmarried. I prosecuted my early studies in Nilambazar M.S. School and passed from that School in or about 1930. I did not join any other School for the next 4 or 5 years. In 1934, I was elected a delegate to All India Congress Session from Sylhet. The Conference was held in Bombay. I along with my another friend Satyen Sen of Sylhet (who was also a Congress worker) decided to join the Congress Session and started on foot in August enroute to Bombay. We reached there by the December just one or two days before the Congress Session. I was there for 4/5 days. During the Congress Session I picked up acquaintance with Swampurnand (Ex-minister, U.P.) and Ram Saran Das who were delegates to the Conference and were then Professors of the Kashi Vidyapith. As per their instructions I came to Benares and saw them in the Kashi Vidyapith just after the Conference. I got myself admitted in the Vidyapith in that year i.e. 1935. After studying there for a year I was selected by the Kashi Vidyapith to undergo a training in the preparation of hand made paper at the Warha Village Industry School organised by the All India Village Industrial Association. I was in this School for about 3 months and then came back to Kashi Vidyapith where I was appointed as an Instructor to instruct the process of hand made papers. At the same time I continued my study and appeared at the Final Examination in February 1940 and passed the same. I remain there for a few months more (3/4 months) in connection with my writing a thesis to be submitted to the Vidyapith in order to get my degree. I went to my native village after this and was there for about 6 months. On my journey to my home from Benares I halted in Calcutta for about a week. I used to put up with one of my relatives Gopesh Chandra Das at 65 Sitaram Ghosh Street. He is a motor driver by profession. After staying for 6 months in my home I returned back to Benares in January 1941 and was there for about 3/4 months. I came to Calcutta by March or April last (1941). In order to get help of the Imperial Library books in connection with the writing of thesis. I hired a room (No.34) at 118 Harrison Road and is putting up there since my arrival to this place (Calcutta).

I manage my expenses by tuition and I am at present employed as a teacher to the children of one Balchand at 98 Lake View Road. I get Rs.40/- by this. I got this job through Marwari Association where I went in search of jobs as I had instruction from Kashi Vidyapith to search for employment there. The Secretary of the Association introduced me with Balchand.

I became a primary member of the Congress Committee in Karimganj in the year 1932 and attended the Conferences in Bombay (1934) and in Lucknow (1935). Besides this I did not participate in any other Conferences or meetings of the Congress.

2.

I have no connection with any others movement whether open or secret. Excepting that I was also a member of the Benares Students Federation for about 2 years but I did not take any active part there.

I know only my relations in Calcutta. Besides that I do not know anybody else here. I have no friend or associate here. My relations are -

- (1) Gopesh Chandra Das - distant relation - also a co-villager.
- (2) Barada Kanta Das - distant relation - at Vivekananda Road. He is the Manager of the S.N.Das & Co.

I do not know any one with the name Santi Singha Ray. Many delegates of the Students Conference from all over India went to Benares in February 1941 and visited Kashi Vidyapith. So I might have seen him. But I did not make over any letter to him ever. I never saw the letters (now you are showing) before. I do not know the handwriting. I know Onkarnath Sastri as an ex-student of the Kashi Vidyapith and a teacher of the Vidyapith School.

I purchased the books (seized from my room) from Calcutta shop for out study in connection with my thesis.

Further Statement of SATYENDRA  
NATH MUKHERJEE son of late Ram Charan of Vill.  
Bapala P.S. Bakargunge, District Barisal and of  
58/A, Sadananda Road, Calcutta.

.....

I did not know Prodyot Das alias Mukul Roy before. About 10/12 days back, I came to live at 58/A, Sadananda Road at the instance of Santi Singha Roy. On my arrival at this address, I found Santi Singha Roy and Mukul Roy living there. No other person used to live there after my arrival. I did not know that Mukul Roy had another name viz: Prodyot Das. While we were taken to Bhowanipore Thana after search of 58A, Sadananda Roy on 15.6.41, I came to know for the first time that Mukul Roy was Prodyot Das. I did not know that previously he used to live somewhere in Tollygunge. I had never been to his Tollygunge House. During my stay at 58/A, Sadananda Road, he never told me anything about his outdoor works nor did he ever ask me to accompany him. I only came to know that he was a man of Barisal. Except this I did not know anything about his activities or antecedents. Either Santi Singha Roy or Mukul Roy @ Prodyot Das used to pay me -/4/- annas four only per diem.

About a month and a half ago, I along with three other youths offered satyagraha in Sealdah Court and was subsequently sentenced to eight days simple imprisonment on conviction. I do not remember their names. At that time I used to live at 12, Cornwallis Street. One day at about 12 noon, Santi Singha Roy asked me to accompany the above mentioned youths and to offer Satyagraha at Sealdah Court by raising anti-Government slogans in the courtroom. I never saw those three youths before. After our release from the Alipur Central Jail, I came back to 12, Cornwallis Street and those three youths went away to their respective places. I never saw them again and do not remember their names. I did not ask them their addresses. Except this occasion, nobody asked me to do any other outdoor work or to offer Satyagraha. I was never asked to distribute leaflets or stick posters. I never knew that the Youth League encouraged distribution of leaflets etc.

7. TARUBALA MUKHERJEE (17) -unmarried and lives in our native village.

I read upto Class VI in Batsala M.E. School and then got myself admitted into Kalash Kathi B.M.H.E. School where I read upto Class IX and gave up my studies in 1936 as I did not like to continue my studies. While in Kalashkathi, I used to put up in the house of one Upendra Nath Banerji the same village.

In 1938 I went to Jamshedpur and used to put up there with my elder brother Monoranjan Mukherjee. In the middle of 1939, I came to Calcutta in search of employment but secured none. I used to put up at 203A, Bowbazar Street in the house of one Jatindra Mohan Mukherjee, a man of Faridpur and late Manager of the Krisak Daily Newspaper. Now he is working as an agent of the Oriental Government Security Life Office. I used to coach his two young daughters of 7 and 8 years of age. I used to get Rs 5/- p.m. from him as tuition fee in addition to feeding and lodging. About 2 months back I made up my mind to work for the cause of the country and went to 20, Keshab Sen Street, Office of the All India Youth League and asked Surhid Kumar Mallick Chowdhury whom I did not know previously but I came to know his name from newspaper, to give me some facility for the purpose. He allowed me to remain in the said office where I used to guard the office when all other workers were away. I used to live there and got my feeding expenses from the office.

I did not do any other work there. Thence I went to 12, Cornwallis Street when the office was removed there and used to remain there. About 7 or 8 days back, Santi Singha Roy, asked me to go to 58A, Sadhananda Road, the South Calcutta Office of the Youth League and so remain there and to guard the office. I found another youth named Mukul Roy @ Prodyot Das (now under arrest) living in this office, besides Santi Singha Roy, I am not a member of the Youth League and I do not know anything about the activities of the said League nor do I know anything about the papers and posters seized from our office by the Police this morning. I had no concern with the office works of the Youth League and hence I do not know about those papers. I did not either know anything about the outdoor works of the League. I do not know any worker of the Youth League by name but I know some of them by face. I only know Surhid Mallick Chowdhury, Santi Singha Roy and Mukul Roy @ Prodyot Das. I do not even know Nirmal Mukherjee, the Secretary of the Bengal Provincial Youth League. Except guarding the office of the League, I was never given any other work nor did anything be ever divulged to me in respect of the activities. I never distributed any leaflet or any posters.

I did not know Prodyot Das alias Mukul Roy before. About 10/12 days back, I came to live at 58/A, Sadananda Road at the instance of Santi Singha Roy. On my arrival at this address, I found Santi Singha Roy and Mukul Roy living there. No other person used to live there after my arrival. I did not know that Mukul Roy had another name viz: Prodyot Das. While we were taken to Bhowanipore Thana after search of 58A, Sadananda Roy on 15.6.41, I came to know for the first time that Mukul Roy was Prodyot Das. I did not know that previously he used to live somewhere in Tollygunge. I had never been to his Tollygunge House. Further statement of Santi Sinha Roy. Recorded on 18.6.41.

The Youth League was formed after the Holwell Monument movement, most probably under the instructions of Subhas Bose. The Youth League was then instructed by Subhas Bose previous to his escape, to send 50 youths as volunteers to offer Satyagraha at courts. Accordingly volunteers were enlisted and names submitted to the then General Secretary, Suhrid Kumar Mullik Choudhury. The fact was also communicated to Dwijen Bose. I have got nothing more to say.

The Hindusthan Standard cutting -4.6.41.

1. This was cut from the said paper owing to the fact that the advertisement contained my latest address and it was the League's advertisement.

2. The slip of paper containing the number 5329 (Statesman) was kept by me. The number refers to the telephone number of the Statesman office. Some Mukherjee whose name I do not remember was to be called on 'phone to call out my cousin Himangsu Bikash Mazumdar an employee of the Statesman.

3. The laundry receipt refers to my clothes sent to the laundry, through Satyendra Nath Mukherjee, a volunteer of the League and so the receipt of the clothes bears his name.

Further Statement of SANTI SINHA ROY.

.....  
I was released on the 30th of November 1940 and on the 1st of December 1940, Hemaprova Mazumdar asked me to join Youth League and told me that this Party would be a real and dominant Party in India. She is my maternal grandmother and I had much regard for her. At once I agreed to join the Youth League which was just in its infant stage. Thereupon according to her instructions I met Dwijen Bose on 3rd of December at Sradhananda Park where he was attending a meeting. A date was fixed to have a meeting with him about the organisation of Youth League. On 5th December as was fixed I went to his house at 38/2, Elgin Road in the evening at about 6 P.M. We had a discussion about the principles and aims of Youth League. He readily agreed to give me the charge of the students section of the said Youth League. He asked me to recruit members very strictly. He told me that the genuine Subhasites, rather the genuine Forward Blockists should be enlisted as Youth League Members. Because the parties within Forward Bloc have exploited Subhas Babu from the very beginning of its formation. He therefore, wanted that a party of his genuine followers should be formed so that this party might have followed his instructions blindly whatever that might be.

I began to recruit members from the students within a short time. I had no further meeting with Arabinda Bose and Dwijen Bose before the last week of December where we started together for Nagpur to attend the All India Students Conference. It was decided at Nagpur in the meeting of the Forward Bloc Students that one genuine forward blockist (Youth League Candidate) should go in the working committee of the A.I.S.F. Accordingly Arabinda Bose became a member. After our return from Nagpur a room was rented for the purpose of the Youth League Office. I used to visit and attend the office twice a week.

\* I met Subhas Bose for the first time in my life introduced by Arabinda Bose after my return from Nagpur and had a discussion about the recent split within the Student Federation. We asked financial help from him to keep up the expenses of the B.P.S.F. and organised after Nagpur split. He agreed to give but failed to keep his promise at all.

Dwijen Bose began to defray all the expenses for the organisation of the Youth League. Gopal Mitra also contributed to a certain extent. I knew that Dwijen Bose was intimately connected with Niranjana Singh Talib the editor of Desha Darpan in regard to this Youth League affairs. But he did not disclose anything about the secret activities through Niranjana Singh Talib except his intimate relations. Once I questioned about the purpose of his meeting with Niranjana Singh Talib and he told me that the Punjabis would be the real workers in the matter of liberating this country in which this Party would have a decisive role. He told me this in such a manner as if he wanted to keep this matter secret. Dwijen Bose was a dictator in Youth League and whenever anybody would ask something to be explained he would say that all these were directed from Central Committee of which Subhas Babu, Arabinda, Haribishnu Kamath himself and Gopal Mitra were the members.

I had the intention of being connected with the Bose family to get myself prominent in the Students Front and in the Public eye. I cherished the idea of being the President of B.P.S.F. through Youth League and to contest the next Calcutta Municipal Election with Subhas Babu's nomination which would make my position a sure one. I was successful in maintaining connections with the Bose family.

[During my friendship with Arabinda I came to know Gopal Mitra, and Nirmal Mukherjee.] I knew Amulya Mukherjee, the

private secretary of Subhas Bose. While I was a prominent organiser of the Youth League I came to learn from Amulya Mukherjee that Subhas Bose left India in a Japanese Vessel in disguise of a Shikh. This seemed to me plausible because I found Subhas Babu keeping his beard and moustache. I asked Arabinda several times about Subhas Babu's departure but he avoided to disclose the real fact.

I know that B.P.C.C. (Suspended) has got a cyclostyle machine but I do not know where it is lying. The leaflets which were issued during Holwell Monument Agitation (when I was in Jail) were issued through that machine. I came to learn this fact from Dwijen Bose.

So far I know Youth League has no cyclostyle machine of its own. The Posters were always written by Prodyot Das and were also pasted by him at different streets.

This Prodyot Das was recruited by Dwijen Bose when he was starving without food. He used to get annas eight a day and do all these works, for the party and Bose family.

After my return from Benares Conference of the Students in the first week of February 1941 - I came in conflict with Arabinda and other Forward Bloc Students. The Conflict was in regard to the selection of the B.P.S.F. President I issued a statement against Forward Bloc in Amritabazar Patrika after B.P.S.F. Conference held at Calcutta. I remained silent for three months. After Arabinda's Externment, he nominated me in A.I.S.F. Working Committee and requested me to carry on the Youth League activities. I agreed but stopped the agitations at Court, the father of which was Dwijen Bose. I was trying for holding a Youth Conference for the purpose of Youth League propaganda. Before we were arrested, there were only three volunteers viz:- 1. Prodyot Das, 2. Satyen Mukherjee (arrested) and 3. Chitya Chatterjee, and three prominent members including myself, Nirmal Mukherjee and Madan Dhar.

We were also experiencing financial difficulties in keeping up the Youth League establishment. Nirmal Mukherjee once suggested to obtain funds by committing dacoities like Duff Lane once to which I objected and the matter was dropped.

As regards the All India Youth League organisation, there are only two organisers outside Bengal namely, Prabodhi Chandra in Lahore and Mr. Jubbery of Aligarh.

All the posters found pasted on the walls of 58A, Sadananda Road were written and pasted by Prodyot Das. I left my Entally residence with ~~very~~ my father due to some personal hitch with my father ~~xx~~ and was putting up at Sadananda Road from June 1st, 1940. It was settled that 58A, Sadananda Road would be the office of the South Calcutta District and the rent would be paid from the Youth League Fund.

The letters written to "Dear Friend" by Phillip and "Dear Friend Tripathi" by Phillip were delivered to me by Karuna Kanta Roy of Benares. He is a member of the 4th International (Indian Section). He asked to give those letters to Kamallesh Banerjee of Calcutta, the leader of the 4th International (Indian Section). I forgot to make over those to him and were lying in my handbag for the last few months. Karuna Kanta Roy is now in Calcutta. I do not know his address.
